

# Emmanuel Toyosi Babatunde

---

## Profile

A fast-learning frontend developer with a passion for elegant, efficient code and innovative designs. Experienced in collaborative, high-paced environments, I thrive in settings where I can contribute to impactful projects while continuously learning. My background at PluralCode Academy and HNG Internship has equipped me with a thorough understanding of frontend development best practices and a keen focus on detail, making me a valuable asset to any forward-thinking tech team.

08020921564 - emmanuelforbez@gmail.com - <https://myportfolio-blue-nine.vercel.app/> - NO 7 2nd victory avenue, olosun ota , Ogun state.
